

Fulfilling Our Ethical Obligation

“When a foreigner resides among you in your land, do not mistreat them. ...Love them as yourself, for you were foreigners in Egypt.”

Current events provide an opportunity for Jews and others to meet this ethical obligation by helping the refugees flown out of Afghanistan and seeking a new life in the US.

Some of the organizations sponsoring these opportunities are listed below. Please help in any way you can.

- **Jewish Federation Afghan Resettlement Fund:** www.shalomdc.org/fund-for-afghan-resettlement
